Welcome to the May newsletter 2015. Hopefully the season is starting to look up for everyone and the rest of 2015 will be a good year for all.

The Annual General Meeting for the Society will held at The Siesta Resort Motel, Albury Saturday 4th July, 2015 commencing at 12 noon. Lunch will be provided and if anyone requires a room for the Saturday night could they please let me know by 14th June so that I can confirm bookings for you.

Nomination forms for director will be sent out shortly and can you please return by post no later than 21st June ,2015.

Melbourne and Sydney Royals were well attended by breeders and an enjoyable dinner was held after judging for both.

It was decided last year that a perpetual trophy for Most Successful Exhibitor at Melbourne Royal and Supreme Exhibit at Sydney Royal would be done through the Society. The trophies were won by Uandi Maines at both shows.

I would also like to make a special mention of Mary and Alan Carew, who after some years away from Melbourne Royal, exhibited there last year and won the Supreme Exhibit. Reports on both Melbourne and Sydney are further in this newsletter.

It was great to catch up with Kevin Sapsworth and Sue O'Brien from New Zealand, who are the secretary and registrar for the Society in New Zealand, and have a talk as to where we can help each other for the betterment of the breed.

It was great to see Maines exhibited at Bathurst Royal again this year. They all did very well in the Any Other Breed Classes with the Maine Female, winning her class and the bull placing second. This was great considering they were only 12 months old.

I would also like to remind breeders that Semex have a the AI sire, Manitou Polled Patriot available and if you require further details please don't hesitate to contact either myself or Semex direct. Also if anyone is interested in using the French sires please contact me and I can get details to you as to what is available in Australia at present. Remember all these French sires come with performance figures and I am more than happy to help you understand them. Once again just a reminder that the year letter for 2015 is 'B'.

SYDNEY ROYAL RESULTS 2015

Sydney Royal was a huge success this year with 5 exhibitors and 20 head exhibited at the show. The cattle were of excellent quality, well presented and attracted a lot of attention from many people. Congratulations to all exhibitors on a wonderful showing. Uandi Maines exhibited the Junior, Senior and Grand Champion Female, Junior Senior and Grand Champion Male and Supreme Exhibit. We done to our youth members Emily and Scott who exhibited the Reserve Junior Champion Bull and the Reserve Senior Champion Female respectively.

I would also like to thank Bobby Connelly for generously donating money towards trophies, which was in honour of Joe, and they were won by Uandi Maines. The Board also has a perpetual trophy in Sydney for the Supreme Exhibit, which this year was won by Uandi Maines.

Judging saw a great crowd around the ring and this was followed by a breed dinner that was well attended by members and their families. Thank you to our judge Ms. Krystelle Ridley whose commentary was informative and made the judging an interesting spectacle for everyone. Krystelle also took the time to mix with exhibitors in the shed after judging which was wonderful to see.
